NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE DIVISION

CHASOM BROWN, et al.,

Plaintiffs,

v.

GOOGLE LLC,

Defendant.

Case No. 20-CV-03664-LHK

**CASE MANAGEMENT ORDER**

On September 22, 2021, the parties filed a joint case management statement. ECF No. 275. The Court continues the September 29, 2021 case management conference to January 26, 2022, at 2:00 p.m. The parties shall file a joint case management statement by January 19, 2022.

The Court notes that the parties' 28-page joint case management statement, in which both parties discuss the merits of their discovery disputes in depth, was overly lengthy. The Northern District of California's Standing Order advises that typical joint case management statements should not exceed ten pages. Although the Court recognizes that the instant case is quite complex, the parties are directed not to litigate the merits of discovery disputes in future joint case management statements.

The Court set the following case schedule:

Close of Fact Discovery	January 21, 2022

Further Case Management Conference	January 26, 2022, at 2:00 p.m.
